

## Lichen Oaks Adaptive Riding Center

### Confidentiality Agreement

Every Professional Association of Therapeutic Horsemanship (PATH) International accredited adaptive riding program must have a policy for its staff and volunteers to maintain confidentiality of participants.

By signing this form, you agree to abide by the confidentiality policy. This policy is in place to protect the confidentiality of the Lichen Oaks Adaptive Riding Center Program (LOARC) participant and his or her activities at LOARC.

Use discretion, and do not use individual identifiers (e.g., participant name) when talking about the participants. Be certain that if you are writing an article, producing a school project, or exposing the participant in *any* way to the public that you have permission from the participant and his or her parents/guardian (if the student is a minor). This especially applies if you would like to use *any* individual identifiers.
